January 13, 1978 - June 30, 2023

Adam Wade Hewett departed this life on June 28th, 2023, in Bartlesville, Oklahoma. Adam was born on born January 13th, 1977, having been raised in Farming-ton, New Mexico. He graduated from Farmington High School in 1996 and later received his bachelor's degree in finance from the Anderson School of Business at UNM. Adam worked for notable financial institutions such as Bank of Oklahoma, Morgan Stanley and J.P. Morgan.

Adam is survived by his sons, Sullivan and Killian from his second marriage to Christina Scott as well as by his mother Leslie, his father Alan and siblings Louis and Courtney.

Adam brought good humor among us. His generosity to his family and those in need would always impress those around him. He shared his enthusiasm, but not his difficulties, nor his anguish. His death comes far too soon and leaves us sorely diminished.
