“ *Jan we are thinking about you today and praying for comfort. I will remember Uncle Adrian most for his kind and gentle spirit. He was truly a gentleman in every way. My fondest memory of him is his jokes. I didn't always get them but I loved that Aunt Eileen laughed at all of them. They had such a special bond and were such an example to me as I contemplated marriage many years ago. I know he touched many lives over the years. What an example of a godly man. I am so thankful to call him my uncle. Blessings to you Jan.

“ Adrian was my dad's, Fred King, best friend. When they were very young, they went to church together and then joined the Armed Forces together. Although they were separated in the military, they remained friends throughout time. Adrian is a very special person to our family. We loved him dearly and know that he is walking the Streets of Gold today and know that he has been reunited with many loved ones. May you RIP Adrian and may your family be comforted at this time. Love you, Terri & Paul Magerkurth (Fred's youngest daughter)

Adrian was a very special person, a great Christian man. Every time I saw Adrian he would give me a big hug and a kiss on the cheek. He was my dad's, Fred King, best friend. They both liked the same girl. Adrian practically lived at Dad's house as a teenager. My Dad and Adrian enlisted together during WWII. Adrian spoke at Dad's funeral and said he was a Christian because of my dad. Dad took him to church to pick up girls. Both were saved and lived good Christian lives and I am sure they are rejoicing in heaven now. May god bless Adrian's family at this time and wrap His arms of comfort around you. RIP dear friend. Love you, Donna and James Bennett. (One of Fred king's daughters)
