“ *I am so proud to have known Alan. What a special person. In Jr. High and High School -- I always admired him. I'm so sorry for his untimely death -- heaven has definitely gained a very special angel.*

“ *Alan my friend, miles never mattered, when you were in our conversation it was our friendship. We kept you close throughout the years through classmates that remained in our area, Rebecca and I will ever keep you and your service to mankind in our hearts.*

“ Alice and family, I haven't seen Alan for many years but I remember in high school he had the most amazing voice. I know you will miss him terribly. Nothing can replace a brother! We are thinking of you and praying for you during this difficult time.

“ Alice, Bob, Clint, Clark, and Matt, and the rest of Alan's family. I never got to meet Alan in person though I have heard much about him for many years. If he is anything like what I have heard I am positive he was an amazing and remarkable person. Please know you are all in my thoughts and prayers, not only now, but in the days and weeks to come. I love and appreciate you all.
