

## Albert Warren Horton

January 29, 1968 - August 4, 2022

Albert Warren Horton, born in Oklahoma City, Oklahoma on January 29, 1968, passed away on August 4, 2022, in Tulsa, Oklahoma. He graduated from Nowata High School in 1986 and from there went to graduate from NEO in 1988 and then on to OSU Tech- Okmulgee where he met his wife and graduated with a degree as an electronic engineering technician in 1990.

He worked for Conoco for 14 years and then Colonial Pipeline for 15 years and made many life-long friends along the way. He loved his job and felt so blessed to be able to do what he enjoyed every day. He was full of knowledge and had many hidden talents. He loved playing the guitar, listening to doctrine and talking football with his daughter. He enjoyed reading, shooting guns, and spending time with his family. He was the most loving, caring man and never met a stranger, even with being a self-proclaimed introvert. He was quick witted and always wanted to make people laugh. He found humor in the little things and had the best outlook on life.

He is preceded in death by his beloved grandmother, Mary (Francis) Moland and Nephew Zachary Horton

He is survived by his devoted wife Maria, and his loving daughter Victoria.

Parents Orvill and Cindy Horton, Sister Barbara Burruss, and Brother Michael

Horton and his wife Tanya. He is also survived by his wife's family members who he considered his own as well as numerous nieces, nephews and cousins, and many other family and friends.

He was an avid believer and inspired us all with his faith and dedication to the Lord. We rejoice in the fact that we will see him again one day.

In lieu of flowers, we ask that you crank up any 80s hair band song and remember the great man that he was.
