“Dearest Dad, you were my foundation and my rock. You taught me forgiveness and unconditional love, and how to not only stand up, but fly. It took me long enough, but eventually all you instilled in me came to fruition. You touched so many people in countless ways. Your love transcended distance, opinion, rebellion, and any obstruction that stood in the way. It was constant and true and a piece of you will live in me forever. I love you Dad till the end and beyond.

“Uncle. You are my Godfather ~ a man I love, respect and adore. Forever I will feel our loss. Kalil Gibrahn wrote: "WE KNOW NOT THE DEPTH OF OUR LOVE, UNTIL THE HOUR OF ITS SEPARATION." To whatever powers that be...thank you for bringing Unc into our lives. When I think of him, I hear his laughter. There's no one like him. Mold=Broken. XXOO

“ *My Uncle Albie was not just my sweet uncle. He was my Godfather and friend. I grew up with him as a constant in my life, and he has always been and always will be true blue to me, and my entire family. I have so many memories of him, and they're all wonderful. Not enough time, space, to write all of these things here I love you uncle. I will forever miss you and there will forever be a piece of me missing now that you're gone .*
