“ *Ann Williams was the humblest, most kindest and loving person I've ever met. She saw the best in everyone when they couldn't see it in themselves. I remember when I first met her thinking what I would give to someday be as good and caring and forgiving Christian that she was and represented. I realize now as hard as I've tried no one could fill her shoes! She was a "special angel" and the most precious gift from God that he shared with us here on earth and she touched and left a mark on everyone's life that she come across. She was a one of a kind lady and this world was so fortunate to have her presence for 83 years and the memories of her will carry on with every life that she ever came in contact with. I know that Heaven is a much happier place right now to have one of its extraordinary ANGELS gracing its presence once again.... Oh how They must have missed you but thank you GOD for sharing her with the world. I love you Ann Williams and always have JoAnna Williams-Baker. I shall see you again*
