“ *Grandma Betty, Aunt Trish, Aunt Kay, my mom Lori, and I at Bethany's wedding. The whole 'write down a memory of the couple' bit started and me and Grandma Betty couldn't think of anything so we put "remember that time we came to your wedding". We laughed so hard about that, and the whole slyly moving Infront of the fan because it was a hot outdoors wedding. I miss how fun she was.*

I remember she was always fun to be around. Even though she wasn't my aunt, she always seemed like one to me. She was my moms cousin, and always seemed like close family to me. RIP Betty.
