“What a wonderful educator! My husband, Bruce Hunt, passed 3/6/2014, and I know they are both conferring on organizing things and trying to make sure education and the welfare of students and educators are safe.

We both loved her and remember her active involvement in the welfare of Oklahoma's educational community. Blessings

“When we lived in Bartlesville, some decades back, Bettye Jane was the publicist for every organization of standing in the county, and most of the state groups, more or less. She was an inspiration to many, many high school students. Her influence for good will live on.

“ My condolences to the family of "BJ". A true friend and a great professional college. The impact of the many students that she touched during her teaching career will be felt for many years to come. My regrets in advance that i will not be able to attend the May 24th event for "BJ". I will be in western Oklahoma speaking at a high school graduation.

“ I didn't meet Bettye Jane until fairly late in her life. I met her through the League of Women Voters. When attending League events, she was always dressed beautifully, every hair was in place and her make-up was perfect. Just a few minutes talking to her and it was clear that she was a woman of significant accomplishments. She left her mark. Sad that she is no longer here on earth.

“ I am so sad to hear of the loss of Mrs. Johnston. She was my Journalism teacher at Sooner High School, and I learned more about journalism from her than I ever did in college. She was a great teacher, and I will miss her very much.

“ Bettye Jane was one of a kind. I remember our first meeting, we both needed a roommate for a DKG SW Convention, so we met at the airport and became friends. She was always an inspiration to me. She has overcome many hardships and difficulties, but her spirit was always strong. She was proud of her children and their accomplishments. DKG was important to her and I have missed her at our meetings. I'm glad I was privileged to know her. Donna Talley, Delta Kappa Gamma
