“ So sorry to just now learn of Bettye's death. So sorry to Mike and Liz and the grandchildren. Bettye was my first cousin. Her mother was my mother's sister, Leoda Hild Bird. Bettye lived with us one school year, but I remember her being her very well, even though I was only about 5 at the time. Please accept my deepest sympathies.

“Bettye was a long time friend from Nurses training, Mt Carmel Hospital in Pittsburg Kansas, to Bartlesville many years ago.. I would like to think I am the reason for her being in Bartlesville . We have been life long friends.. May she rest in peace. She has spent many years taking care of others and now it is her turn to rest. May God Bless her and keep her.
