“ I have known Billie since I was a young girl. She and Don were always kind to me and my brothers when we showed cattle with their sons. She always had something to say in a way that made me giggle.. She was also kind to Cassie and Parker.. she would sweetly label Parker as being a sharp dressed man at church.. She will be greatly missed by all who knew and loved her. ❤️

“ I am so sorry to hear about Billie's passing. She was a favorite customer of mine when I worked at the bank and remained a friend after I retired. Billie was from a good family and I knew her husband, Don, as well. She will leave a void in a lot of peoples' lives. We will miss her.

“ Many years of Billie as a friend, neighbor, school mate. Has always been in our thoughts. I know the time will be hard, but such a wonderful life she had, and loving her family so very much. Altho we didn't see each other often, we knew if needed she would be there for us and us for her. Dear friend, just 6 months ago to the day my Joe went ahead of you. Family know we are with you.

“ I remember Billie well, her welcoming and sweet smile would light up any room.Hadn't seen Billie in many years but kept up via Jacqueta. She will thoroughly be missed by her family, thinking of each of them as they meet the days ahead. Praying it softens their sadness to know that Billy is walking in the light of God's love & presence.

“ The last time I saw Billie was at a Revival at Wann Baptist Church. She immediately greeted me and with her usual warm and friendly manner. I hadn't seen her for a long time, but she remembered me. I know she will be deeply missed by her family and her Church family.

“ There are so many things that could be said about this wonderful lady but I'll share just a few of my thoughts.  
Billie has been in my life, through our church, since I was a kid but it wasn't until I became an adult that I realized how much I loved and appreciated her.  
She could have a tough exterior but had a huge heart and was very caring and generous. She never failed to offer praise but would also give you some "advice" if it was needed! She loved her family unconditionally and talked about them whenever she had a chance! She was a hard worker and had a wonderful sense of humor! There are very few people who are worthy of being a role model. Billie was one of these people for me. Her Christian character and faithfulness to God have had an impact on my life. She is now with Don and her other loved ones and we are rejoicing about that but she will certainly be missed! Sending love to Billie's family and friends. Praying for you all as you adjust to life without the physical presence of this precious lady. ♡
