“ *It doesn't seem right . We just seen you smiling at a family event. Your smile was massive. I have a funny story or heartfelt story about when I worked at Kmart and you were a faithful shopper. Someone didn't have enough money and you paid the difference. You were always doing random acts of kindness. You will be missed 😭💔. I know you are in a place where there is no drama no pain no turmoil. Rest in paradise Cousin . Love ❤️ you.*

“ I had the pleasure of having Caitlin as a tenant for several years. She adored her children and loved hanging out with her Mom. She was one of the CNA's that took care of my Mother while she was in the nursing home. She would go beyond her duties to make sure she was taken care of. Caitlin will be missed by all that knew her. Our thoughts and prayers are with the family.

“ Me and Caitlin were truly truly close cousins. She was even like my sister I would say I remember all the way back to when we were little. We were going picnics together at the park always playing basketball, but one thing about Kaitlyn she would always always carry this big huge case of CDs everywhere we went to, they wouldn't one Cd she did not have it was covered in the most cheetah print. She could find that girl in her cheetah print me and My Cousin been regular weekend together talked on the phone regularly. I'm gonna truly miss her with her gone I feel like I lost a part of myself actually just spoke a couple days before and was hoping to see each other again good Lord called her home before she was here right now. I tell her I love her. Miss you very much baby girl.
