“ I met Ray over a year ago through a mutual friend. Such a precious soul. I was looking forward to more summer porch visits with him. I'm sorry to hear of his passing.

“ I knew Ray almost my whole life. My mom dated him when I was really young and even after they broke up he remained a big part of my life. He bought me new clothes every school year and made sure I had anything I needed. I've always thought of him as my dad. I remember every place we lived at with him or visited him at to drink coffee and do the newspaper crossword. He introduced me to my favorite movie *Far and Away*...and we both loved the color black. I missed him when he moved away but I kept in touch on the phone. I'm really going to miss hearing his voice say, "I love you too, sugar" I wish I had a picture of him but I don't. All I have is the picture of Kelly he gave me the day he told me he passed and the bunny rabbit doll that was his mom's. I will always cherish them dearly as I cherish every memory I have of Ray. He was such a good man with a good heart and I love and miss him so much! Prayers sent for all...Love yall Lonnie, Melissa, and Heather❤️

“ I have a lot of memories with Raymond and he always talked with respect to me. When all of us friends use to go to Dumas Walker’s, he always ask me to dance to Floyd Cramer, Last Date and several other oldies. He loved to slow dance to the oldies, just like me. I had missed getting to see him since he moved from Arkansas but we kept in touch over the phone. Lonnie I’m sure gonna miss being able to hear his voice. Raymond loved working on cars, odd jobs. I drank a many of cup of coffee with him, when he lived in Arkansas. I enjoyed talking with him. I know he loved all of his family. Raymond was my friend but he also was part of my family, he will truly be missed by me and Susan. May God be with you all and we love y’all.
