“ Dear Jerry, Sarah and family,

We just heard from Mike Moller (Tues. night) who had heard from his brother Jeff. This is such a shock to all of us and we know it is even more so for you. We are so sorry for your loss and we just can't believe it has happened. You and Charley Joe was on my to-call list to check on you about this Corona Virus, but I hadn't made that call yet. And now I must write this message.

I am praying for all of you, especially for you Jerry and for Sarah. My heart just breaks for both of you.

*All our love and sincerest sympathy,
Donna, Alan, Austin, Grady Clark*

“ Sweet Sister Susie. I know you are with Jesus, safe in His arms with all those you were longing to see. You touched my family greatly and we will never forget you and all the times we shared, laughing and crying, through the things this life threw at us. Until we meet again, my friend. And what a day that will be!
