

Christopher Linn Hennigan

November 30, 1948 - July 1, 2026

Christopher L. "Chris" Hennigan, 77, of Bartlesville, OK, passed away surrounded by the love of his family.

Chris was a man whose hands could transform a simple piece of wood into a work of art. As the owner of Natural Wood, woodworking was more than just a profession—it was his passion. He took great pride in every project he created, leaving behind beautiful pieces that will serve as lasting reminders of his remarkable talent and craftsmanship.

When Chris wasn't in his workshop, he could often be found enjoying another of his passions—classic cars. He loved building his car collection, attending car shows, and sharing stories with fellow enthusiasts. Whether admiring a beautifully restored vehicle or taking a drive, Chris appreciated the craftsmanship and history behind every automobile.

Above all else, Chris cherished his wife, Cheryl. For 33 wonderful years, they built a life filled with love, laughter, and unforgettable adventures. They especially enjoyed traveling together, making memories wherever the road took them. His greatest joy was spending time with the people he loved most.

Chris will be remembered for his kind heart, hardworking spirit, and the love he poured into everything he built—whether it was a handcrafted piece of

furniture, a treasured family memory, or a lifelong friendship. His legacy lives on in the countless lives he touched through his generosity, creativity, and unwavering devotion to his family.

He was preceded in death by his parents, Henry and Edith Hennigan; and his brother, Tim Hennigan.

Chris is survived by his loving wife of 33 years, Cheryl Hennigan; his children, Chris Hennigan Jr., Shannon Hennigan, and Andrea McGuire; his siblings, Elizabeth Clinton, Camille Blomeyer, Tony Hennigan, and Vincent Hennigan; his beloved grandchildren; and a host of extended family members and dear friends who will forever cherish his memory.

Though his earthly workshop is now quiet, the love, craftsmanship, and memories Chris created will remain in the hearts of those who knew and loved him for years to come.
