“ *I had the honor of working with Clarissa when she worked overnights at the Operator at Freeman. I don't know that I have ever laughed more here at work than in the time I spent with Clarissa. She was so proud of both of her girls and EVERYONE knew it. It is hard to believe it has been so long, but it was when Kyler was little that we were on night shifts. My most sincere condolences to Chanin, Brennen and the adored grandchildren. I am so happy that I was able to see her a few weeks ago.*
