“ *Today, sadly, is the last day we will see you on this earth. My heart hurts knowing you are gone from us but I know you are in a far better place and will remain there forever. We all will meet again and relish in heaven. You are a good friend to all that knew you and we will think about you every day. I know you will always be with us as we will always be with you. “ Betty and I are truly sorry for the loss of our friend Rex. Rex always had a joke to tell. He was a handy man in ever sense of the word. He even could make things out of hard wood like fancy Plaques or Scripted Name plates for your desk. I gave him my old Dodge pickup years ago and he was so proud of it that you would have thought I gave him a new Cadillac. He cleaned it up , painted it, put a tool box on it and worked out of it for years. Rex was a believer in our Lord Jesus Christ. All believers will see him again when we all get to heaven.
