“ *I knew Darrel since I was 3 or 4 and lived up the street from him. Moved away and came back in high school, he still remembered me.*

He was kind, soft spoken and seemed to have a tender heart.

“ *This is such sad news. Prayers to the family and loved ones I'm so sorry for your loss.. I only known Darrell a few years and we weren't close but everytime I ran into him he was very kind and with that big smile said something very sweet and he always smelled so good. He had some cool stuff a collector of many things I remember but I remember his kindness and his cologne most of all. Rest in peace I'll miss running into that smile...*
