“ Being a gun enthusiast, he brought out one of his rifles to show the hay crew boys one day. Handing me the rifle he said, "Martin, rack the bolt back". Which I did. Then asking how to close the bolt, he said, "push that little thing down". WOW.....!!!

That was my Initiation into the Great & Honorable Society of the M1 Garand Thumb!

U betcha it hurt but that was the point. One will never forget. It really was pretty damn funny! After it quit bleeding!

I'll never forget this Great Man, one of the Greatest Generation.
