“ I will forever remember the beautiful Mrs. Doris, that's what I grew up calling her. She was like a second Grandmother to me, always kind and loving. I have many fond memories of Penn Street and know that the neighborhood is without a special figure from this day forward.

I know that Mrs. Doris is in Heaven dancing with the Angels and will forever be watching over us.

**Our life will never be the same without Mrs. Doris. Time will help during such a difficult time.*

My deepest sympathy to the Family!

Love you all

“ It made me sad when I heard of your loss. I know God will be there to comfort you all. May God continue to bless you all.

“ I was blessed to have meet Mrs. Abraham for a short time about 2 months ago. Although I didn't know her very well, I know she will be truly missed. Meka has told me such wonderful stories about her childhood. I say to the family remember the the great times you shared with her, and take comfort in knowing she is in a much better place.

“ Our thoughts and prayers are with the family, especially Gilda. Your mother was a beautiful lady and there is a lot of resemblance. Knowing you will see her again in heaven is a great comfort.

“ Our prayers are with Val and her family during this time of sorrow. Even though this seems unbearable at times, the Lord will help you thru it and bless you.

“ There are not enough words to express my profound sadness that Aunt Doris spread her wings and took flight. She was my confidant, encouragement, and my compass. Aunt Doris’ sister, Aunt Velma is actually my aunt. As children, we never knew the difference because we were loved and nurtured by all of them as one BIG FAMILY.

For example, Aunt Doris taught me how to fry okra the way I like it. When I fry fish and okra, I called Aunt Doris to tell her what I was cooking - she’d tell me to send her some through the phone. Whenever Bullitt came on, Aunt Velma would get the call; then we’d drool over the phone about Steve McQueen.

It’s especially difficult because my Mom transitioned in July. They were sisters from the cradle to the grave with my Mom being exactly one week older to the day.

Know that I love you and am praying for us all during one of (if not) the most difficult times in our lives. I know that even at this moment I was blessed to have Aunt Doris and I thank you for sharing her with me.

“ *I just wanted to say that Grandma has been a part of my life for 20 years and I loved her very much! My grandma passed away a month before Virgel and I's wedding so she has been my only grandma for the last 15 1/2 years. She was always there to tell me I was doing a good job raising the boys and for that I will be eternally grateful! I know there is a hole in our hearts but what a blessing when someone makes their faith known so we are assured we will see them again dancing on the streets of gold!*

“ *To Valarie, James Jr., Gilda, and the Abraham family. GOD knew it was time to come and get one of his angels. That's exactly what Mrs. Doris was to me, an ANGEL!! The last time I spoke with her, she was so glad to see me, and was glad that I had got my self together. That advise and encouragement to me by her always stays in my mind. I'm gonna miss her dearly. May GOD be with the family during this homegoing!! Love ya'll*

“ Valeria and the Abraham Family,

I know the shock is painful and in time it will heal. And as painful as it is, I believe God needed one more angel and selected the best. Mom will be missed but cherish all of the sweet memories. Sincerest condolences to all of the family. The picture could easily be one of you or Gilda.
