“ Dorothy, I think about you every day and I miss you. I will miss my potato salad you would always make for me (personal joke) you was a bright light in my life and I can't wait to see you again. I love you my dear friend. Dink

“ *In loving memory of my sister Dorothy, who was such a great sister and an amazing best friend. She was a dedicated caregiver to our mother during her time of sickness. She was fun to be with; we would laugh and joke and talk about when we were young.. Dottie will be truly missed by everyone whose life she touched.*
