

Douglas Lee Horsman

October 21, 1961 - May 11, 2018

Horsman, Douglas Lee, 56, cattle rancher, unexpectedly passed away at his rural Talala home on May 11, 2018.

Douglas was born on October 21, 1961, in Bartlesville to parents Gary and Anna Lillian (Gifford) Moore. The couple later divorced, and Anna married Howard Michael Horsman, who then adopted Douglas. Douglas was a graduate of the 1979 class at Caney Valley High School.

Douglas enjoyed being outdoors and working with his hands. He was always building and fixing. He worked doing carpentry and house framing, then became a Certified Welding Inspector at Superior Manufacturing in Bartlesville and later at McKissick Manufacturing in Tulsa. He loved to build homes, and he was proud to have built both his home and the home of his daughter Kristin.

Douglas was finally able to stop being a welding inspector and pursued his great passion of cattle ranching. It was what really and truly gave him satisfaction. Douglas also loved to garden and always had a bounty of vegetables that he liked to share with his friends and with the family that he was so very proud of. Douglas also enjoyed fishing, especially on the Verdigris River with his friends.

Douglas is survived by his son, Daniel Horsman and wife Robin of Ramona; daughter, Kristin Hughes and husband James of Ochelata; Stepfather Howard Michael Horsman of Ochelata; grandchildren, Victorina Hughes, Morgan Hughes, Lauren Hughes, Cameron Clemons, Kaitlyn Clemons, Abbey

Hughes, Brooke Horsman, Logan Horsman; 3 great grandchildren; siblings, Michael Horsman of Bartlesville, OK, Stephanie DeBacker of Troy, KS, Teresa Vaughn of Kansas City, MO, Wes Horsman of Kansas City, MO, Justin Horsman of Ochelata, OK; Robert Horsman of Ochelata, OK; numerous other relatives.

We was saddened to hear of the passing of Doug. He grew up on the top of the hill from our house. He and my sister Janet always had a special friendship and knowing those two are in heaven smiling together. Prayer and thoughts for Doug's family and friends at this difficult time.
