“ *I have so many great memories of Aunt Joan since I was very small. Vacations, holidays, shopping, sleepovers, eating out, good conversation and just great family time. One memory that comes to mind is that my sister and I would stay over at Joan's apartment on Friday nights when we were younger and go shopping on Saturdays and she would buy each of us a new outfit. We had a lot of fun. I miss those days and I will miss my Aunt Joan.*
