She attended Lamar State College of Technology, where she belonged to Alpha Chi Omega Sorority and graduated in 1956 with a bachelor's degree in commercial art and education. America, and won awards in juried competitions in several states. She regularly showed and sold her paintings in local and national galleries, including Talisman Gallery in Bartlesville for over forty years and most recently in galleries in Taos and Chimayo, New Mexico. Libby was the owner of the Silk Purse Art Studio in downtown Bartlesville. She attended Disciples Christian Church; belonged to the Bartlesville Art Association, to Allied Arts and Humanities, and to the Spanish Colonial Art Society; and served as a volunteer with the Price Tower.

“ I just found out that Libby, her sibling's, children, and grandchildren are distant cousins of mine. I knew Libby passed because of being a long time viewer of Sam's but knowing that she was family makes it 10x more sad. It was quite the shock finding her name on my family tree. Sending lots of love to all the golbach family, especially all of libby's grandchildren. Rest in peace Libby. Onward and Upward.

“ *I met Libby in 1994, when I moved in across the alley from the studio. I got to know her in 2000 when a little girl named Anna lived next door to me. Anna would follow me as I did chores around the house, then she would go to Libby's and play with Golden for hours and then paint with Libby. We shared Anna and later shared Golden. Libby was the finest Lady and such a true friend. Libby and I went through good times and bad and she was always a wonderful friend. I loved Libby as much as any family and will always miss her. The alley will never be the same.*

“ *What a beautiful women Libby was. I never saw the lady that she didn't have a huge smile and hello for me even when she was going through really rough times. I have such respect for her for being able to live life like she owned it no matter what she was going through. she was one of the most talented, loving, funny ladies I have ever had the honor to call my friend. I pray for you Cat, Kirk and Johnny that peace be with you. Much love to you Libby and family.*

“ *We met Libby and John the summer of 1957 in Odessa TX John and Ken began working for Phillips Petroleum. We followed them to Bartlesville in 1967, renting a house just 3 doors from them for a year. We have been friends for a long time and we will miss her. She gave us a miniature of our 5 sons, which we treasure.*

“ We shared times working together on PTA projects at Will Rogers School, that both of our Catherine's attended in same class. Libby and I lunched often, and shared a lot of political opinions which made our conversations very compatible. In last couple of years, I was with her some during her cancer treatments. She handled her illness as if it was a chronic disease, but, I think she taught everyone she was around about living each day. She would always bring a little gift to me when we met. My last visit in her home she was working on genealogy on her computer. She seemed happy, and loved showing the pictures of her ancestors and family. She was also planning and looking forward to Thanksgiving. She had acquired shirts with the Golbach name on the shirts. She shared the picture on Facebook. When I left we hugged, we cried and she said she did not fear death, but hated to leave her kids! She will be missed by many, and especially me. Peace and love to all her family
