“ Our sympathies to the family of Elma Stone...or as she was known to us as Mrs. Stone. Mrs. Stone babysat our children, Jamie (now 41) and Matthew (now 36) from the time they were 3 and newborn, respectively, till we moved away from Bartlesville in 1997. She always made them the most clever crocheted animals and dolls. We loved her kind heart and gracious spirit! Our favorite memory of her was when she parked her car in our driveway and both my husband and I backed in to her car in the same day! When we told her, her eyes were big as saucers...but she immediately said “Oh that’s okay!” Of course it wasn’t and we had both dents repaired! May God give you comfort and peace as you lean into Him. She was dearly loved by our family! Sharen & Jim Bates

Bill,

I'm sorry we weren't able to see you and Shirley or to be at your Mom's service. Mothers are God's special creation and yours was an example of His best work.

May the Holy Spirit comfort you during this time of grieving.

*Blessings to you,
Lloyd and Doris Landers*
