“ I delivered meals through the Washington County Nutrition Project for 10 years. "Mr. Eugene" as we called him was a bright spot in our day. He was there helping pack the meals when we picked them up. We wouldn't start our route without a hug and a good word from him. He always had a smile and asked how I was doing. He will be missed by many.

“ This just breaks my heart! I have delivered mail to Eugene at the apartments for many years. He would stand and visit with me while I put mail in the boxes. He once held an umbrella over me and the mail so we wouldn't get wet. I will certainly miss him!
