“ So many memories. One that goes way back before Aunt Eunice married Uncle Harry is this. I was sleeping with Aunt Eunice and she told me to roll over and not breath in her face. That stuck with me. Come Stanaland reunion time, she would sometimes call me and ask if I was going to cook her breakfast. Many good times. I will miss her.

“ My Aunt Eunice and Uncle Harry opened their home up to my Mom, sister and I many years ago as our family went through some tough times. I was fortunate enough to grow up and learn the sacrifice they made for us and was able to tell her “thank you!” She’s always been kind hearted and very lucky too! I loved her hot water cornbread she’d make with dinner sometimes! She will be greatly missed! Prayers to all, love you Karen.

“ Eunice was a treasure who cheered us all when she came to walk at the Family Life Recreation Center. Her positive attitude and sweet smile will be missed in Bartlesville..
