“ Our prayers are with Ann & the Family and of course, George.

A church friend , a sports friend and a neighbor.. George carried himself like an ordinary guy and you would never suspect hes was as brilliant and accomplished as he was.

George was soft spoken .and we often talked of our children. He was always interested in the kids.

Our prayers will continue for the whole Family.

“ I didn't know George myself, but my husband Terry Spears considered George a very good friend. I think their visits were Terry's main interest in going to Frank Phillips Club functions. So sorry for your loss. May George's memory be a blessing forever.

“ I worked with George in the early 1990's at the K-Resin Pilot Plant at Phillips R&D. I always enjoyed visiting with George and had the opportunity to visit with him on multiple occasions afterwards. My thoughts and prayers go out to his family.
