“ *This picture you all have picked out of her here is exactly like I will always remember Aunt Darlene. She was always smiling and carrying on. I always loved coming to visit and stay with her and Uncle Jimmy when I was a kid. As I said before, this picture sums her up to a tee! Debbie James Catlett*

You will never know how much i miss you. I love you. Its so hard waiting on your daily phone call. You and I talked about when one of us passed how lonely it would be for the one left. Its much worse Darlene than what we thought. Love you
