“ *I've known Gloria for many years! She was my introduction to the party scene in Bville. Not that we got into any trouble! I loved going to her house when mom cooked, pork chops I can still taste. Time moves on and we lose touch but I always remember her and Johnny fondly. My condolences to the whole Jones family.*

“ I'll never forget the time at the lake when there was a tornado on the water. We were scared to death. We (Josh Stephanie aunt Gloria and me) ran and got into a shower and immediately aunt Gloria started praying. I was like "that's not gonna help right now!!!" So we decide to run outside and see about waving somebody down. We were hollaring and waving for them to stop but they just smiled and waved. So we went back to the shower. It went away I guess lol. Uncle Johnny and Kenny we're across the lake and they saw it too. Turned out to be a water spout lol. We had great times at the lodge.
