“ Betty was so good to me. She knew I loved pecan tassies and every so often she would take a batch to Richard at the hardware store to bring home to me. She was so lonely after James died and Richard and I for a number of years made it a point to give her a call in the evening. She cared more for people than they ever knew. May her family and friends gain peace in remembering her.

“ Aunt Betty, I was blessed to get to spend all the time with you that I did! So many stories and lessons learned in a short time. I would gladly do it all over again and love to spend more lunch hours with you and get those great hugs! One day I know I will get to enjoy all of that again when we meet in Heaven. Give God, Jesus, & family a hug for me! Im so glad that your feeling no pain and have gained your sight back! I will miss & always Love you!

“ *My Aunt Betty was a fierce and fabulous woman who left memories of shakeable love, orneriness, and laughter on all who had the privilege of knowing her. “ *Aunt Betty was an amazing woman and I feel it was an honor to have spent time with her. The only way I can begin to describe her was one in a million, she had such a fire, a light and a true honesty to her. You might not want to know the honest truth but by golly Aunt Betty would tell you, but that it what made her so special. We will miss getting to visit with her when we come home. Our love goes out to everyone at home in Oklahoma. Jeff and Kim*

“ *"Draw close to God, and he will draw close to you."(James 4:8) May you get close to God during this difficult time. He loves us and cares about what happens to each one of us. He soon will "wipe the tears from all faces."(Isaiah 25:8) He will end all suffering and he will bring our loved ones back to life.(John 5:28,29) Imagine the day when we can hold our loved ones again. This is only one of many promises that Jehovah God will bring to his people here on earth in paradise. (John 17:3; Revelation 21:4)*
