“ *The most amazing story i remember is when mom chased a drunk driver whom had crashed into her car at the intersection infront of walmart . She seen that the driver of the other car wasnt stopping so neither was she ! Down swan lake at speeds of over 70, into memorial cemetery SIDEWAYS . Back down swan lake until she got a tag ##which she did and call the cops . Soon afterwards the people who crashed into her was arrested. At the age of 70 + years young , a woman to contend with for sure !!! She said the thing she remembered the most was those graves she was driving over and how bad she felt !!!*
