“ *Ray was a friend from childhood and we maintained a close bond of friendship throughout our life. We didn't get to see that much of each other because of his many travels working. But, we always picked up where we left off when we got to see each other. I knew if I ever needed help Ray would be there for me and he felt the same way about me. I have never had a friend closer to me than Ray Rowton and I will miss him so much!
I am a better person for having known Ray Rowton! The freindship I had with Ray, makes me appreciate even more what a wonderful friend we have in Jesus Christ and I look forward to spending eternity with my friend Jesus and my friend Ray Rowton.*

Our thoughts and prayers are with the Rowton family and Christine during the loss of my wonderful friend.

“ Growing up with Ray was magical. We were only six years apart and our summers in younger years were filled with swimming, fishing and doing goofy kid things. In later years he taught me how to drive a stick-shift & sing along with Elvis as we drove to Pawhuska for Cherry-ice and chili Frito's. Great memories!
