“ Dear Helen,
You will be truly missed my friend. I have so appreciated our friendship and closeness for as long as I have known you from the first time we met. Your kindness and warmth was evident in your daily life. Your knowledge and compassion was given in delight. May you feel the warmth of the sun, and breath the freshness of the air.
May you run in the grass without worry or despair.
You will always be in my heart and memory as I face my own journey. I love you and will hold you close to me as I move towards in life.
