

Dr. Holly Beth Fouts

September 30, 1969 - June 15, 2019

Holly Beth Fouts, aged 49, passed from this earth at her home on Saturday, June 15, 2019.

Holly was born in Syracuse, NY on September 30, 1969, to Marcella and Peter Lindholm. It was only a couple of years later that the family moved to Bartlesville, OK, where she was raised. Throughout adolescence, Holly was a bright student and friend to many. Outside of academics, she enjoyed cheerleading, eventually going on to coach a group of girls throughout high school. In 1988, Holly graduated from Bartlesville High School, with her sights set on a medical degree from the University of Oklahoma.

In 1992, Holly earned her Bachelor of Science in Zoology. In 1996, she graduated from medical school with her Doctorate, and in 2000, she completed her residency. After dedicating 12 years of her life to the University of Oklahoma, it's no wonder she was known widely as one of OU's number 1 fans.

The last 19 years of Holly's professional life saw her as an emergency room physician at Jane Phillips Medical Center in Bartlesville, OK. It was there that thousands of people came to know Holly as the kind, nurturing, and generous provider she was. Not only was she a beacon of hope and safety for her patients, for many, she was also a friend.

Outside of work, Holly savored time with her family, loving to share with them the joys of travel, food, and music. In fact, many memories were made traveling to countless Fleetwood Mac concerts, where she was known to make lasting friendships in fellow Fleetwood Mac fans.

Holly is survived by her mother, Marcella Lindholm of Bartlesville, OK, her stepmother Patricia Lindholm of Scammon, KS, her in-laws, Leland and Linda Fouts of Coffeyville, KS, her uncle Robert Lindholm of Canajoharie, NY, her uncle Thomas Krigbaum and aunt Mary Krigbaum of Bartlesville, OK, her sisters, Wendy Phillips, Tess Hunt, Pam Harper, Debbie Bolin, Jenifer Hensel, Jamie Risher, and Stacy Taylor, and her daughters, Megan Crawley, Taylor Crawley, Shianne Fouts, Sierra Fouts, and Savannah Fouts.

Holly is preceded in death by her maternal grandparents, Cecil and Dorothy Krigbaum of Bartlesville, OK, her paternal grandparents, C. Kenneth and Doris Lindholm of Canajoharie, NY, her father, Peter Lindholm of Scammon, KS, her stepmother Jeanette Lindholm of Apple Valley, MN, and her husband, Robert Fouts of Bartlesville, OK.

When asked to describe their mom, Holly's daughters agreed she was intelligent, passionate, gentle, empathetic, kind, giving, accepting, and so much more. Undoubtedly, her absence will be felt throughout the community.

In lieu of flowers, please consider a donation to the Bartlesville Police Department Foundation, as another of Holly's passions was the continued care and support of law enforcement officers. Checks made out to the Bartlesville Police Department Foundation will be accepted at the Bartlesville Police Department at 615 S Johnstone Ave.

Holly was entrusted to Stumpff Funeral Home for cremation. A celebration of her life will be held Saturday, June 22, 2019, at 11a.m. at Highland Park Baptist Church in Bartlesville, OK. For additional information: www.stumpff.org.

“ This woman was amazing! I had the opportunity to work with her through my years at JP. She loved to teach. She taught me a lot throughout my career there. She has also taken care of my family, especially my youngest grand child. She was the one who figured out what was going on. I truly believe she helped save her life. Which I can't explain how much she means to me. Secondly, she was always praised about how much she loved her community. Everyone she met knew how sweet and gracious she was! My thoughts and prayers go out to her family. She will be missed. God bless!

I remember when you had worked so late you didnt get any sleep and had all four of girls and just wanted some rest you would lay with all of us in bed and fall asleep and we would sneak out of the room. I remember popsicles when I had surgery and you begging me to take my medicine. I remember when I got a fever so high you had to put me in an ice cold bath.. I remember you pleading with us to brush our teeth. Disney radio in the car..I remember everything. My sweet angel you saved me. Fly high.

“ *We have loved her always. Megan and Taylor were blessed to have her. I celebrate with them a life well lived. She and I shared a scripture in common. “I can do all things through Christ Who strengthens me.” Phil 4:13. And she did, as we do! “Rest in the arms of our Heavenly Father dearest.” See you again soon.* ”

“ Peter and I met Rob and Holly through our love of Fleetwood Mac. They stayed with us in Cornwall, England and we visited with them many times. “ I went to CLEET training with Robb. He was a great friend. I'd see Dr. Holly if an inmate needed medical care. I also needed her care for two traffic accidents, a sprained ankle and my daughter's softball injury. I will miss her very much.
