“ *A few short years ago I had been feeling my middle age and a bit down about it when I went with my Mother to Cherokee meeting one evening. There I met Irene for the first time. She was dashing to and fro helping to get the food ready and putting up table and chairs! She was 100 years young! I was truly inspired by her wit and love for life and her wonderful stories about training and competing in the Olympics. She will always be an inspiration to keep moving and I am confident there a lots of gold medals in her future! God Speed Irene.*

“ It was such a privilege to be friends with Irene these past years, meeting her after playing "Santa" and getting to know and love her. Had several day trips to Bartlesville to see her and having lunch dates and sharing lots of laughs. I have enjoyed our phone conversations, as well as cheering her on during the Senior Olympics in OKC. I will miss her friendship but know that she is with the Lord that she loved so much.

Our condolences to the family.

*Sincerely,
Harold and Karen Branstetter*
