“ Janice will be missed in a big way. I enjoyed visiting with her. And, when the Class of '65 girls got together for supper we had such a good time with Jan there with all of us. I will always remember that last phone call from her. She said she just wanted to talk to someone in Coffeyville. Amazing all that she went through with her health this past year. All of us can hardly believe she is gone. Once again she will truly be missed.

“ I am so sorry to hear of Jan's passing. I remember many fun times we had too many years ago to count. She was always fun loving and fearless. I know she's at peace and in God's arms. My thoughts and prayers are with the family and friends.

“ We are so sorry to hear of Jan's passing. She struggled so much in recent months to come back. She is now at peace. She always brought fun & smiles to our girls 1965 classmate gatherings. She will be missed. May God be with all of her family at this time and the days ahead.

“ *Richard, Kelly, and family,
Our hearts are broken since hearing about Janice. We know that she is at peace, and won't be suffering any longer and facing a future she would never have liked. May you know we pray for God to be with you and grant you peace in memories you hold dearly. Our class of FKHS '65 will miss her so much, and we girls so enjoyed our laughs and times together. She was such a part of all of us.
Jim and I so enjoyed being able to help her when she needed a little something to be done. She relied on the two of you so much and you took very good care of her. She definitely had a mind of her own.
God bless you, and Jeremy, she was so happy about your upcoming wedding. Know she really thought Alexis, I hope I got the name correct, was very special and the right girl for you.
We will miss her.
