“ Jay was my husband's barber for many years, and he gave both our sons their first haircut. He also generously shared fish with us, as he was very lucky with his rod and reel or catfish lines. It wasn't unusual to have him stop by with one of his delicious pies. We treasured his friendship, and extend our sympathy to his family.

“ Jay cut my hair for many years and he was always a joy to chat with during those visits. And he was a damn good barber!

“ Bill and I offer our deepest sympathy to Jay's family. He was a wonderful man who loved his family dearly. I'll always have memories of good times and laughter while we were in his kitchen baking bread or making jelly or pear honey. I enjoyed his fascinating stories about his growing up years and adventures. We loved him and he will be greatly missed. We take comfort in knowing he is no longer dealing with the pain of his illnesses and knowing we will see him again some day. Rest in peace, Jay. We love you.
