

Jeanette "Nettie" Kay Childers

September 28, 1949 - May 5, 2020

Jeanette "Nettie" Kay Childers passed away peacefully on May 5, 2020 at the age of 70.

She was preceded in death by her father Emmitt Rickman, mother Katherine Rickman and sisters Sherry Bishop and Terrie Rickman.

Nettie is survived by her sons Jared and wife Lori Childers of Grove, Oklahoma and David and wife Elizabeth Childers of Bartlesville, Oklahoma; four grandchildren Katherine Childers of Tahlequah and Ember, Dalen and Josie Childers, all of Bartlesville; nephews Freddie and wife Danette Bishop of Bartlesville and Jason Jordan of Tulsa, Oklahoma; great nephews Bryce and Ashley Bishop and Chance and Miranda Bishop, all of Bartlesville and countless other family members and friends, whom she loved very much! Nettie was born September 28, 1949 to Emmitt and Katherine Rickman in Bartlesville, Oklahoma. She graduated from College High 1967.

She was a devoted mother figure. She was the glue that kept us all together. She started her career at Popkess Pharmacy, while still in High school. She continued her entire life in health care and finally retired in the fall of 2019, where the journey began so many years ago. Although she loved her boys, her passion in life never really began until her grandchildren were born. She loved to nurture and teach each one. One of Nettie's favorite past times was to sit out on the front porch and watch the birds. But her favorite was always the hummingbirds but what Nettie was most known for was her words of encouragement that only a mother can give. We will all love and miss her

dearly. There will be a void that no other can fill!
Memorial services will be announced at a later date.

“ So glad I ran into Nette a few weeks ago up in Dewey! One of my best friends since Jr. High. Had many sleep overs. Prayers for her family.

“ It doesn't seem that it's real. I keep wanting to call Net. She was to young to leave this world. But I know she was very tired and wore out. She is in God's hands now. I know her, my mother and my cousin are celebrating together now. Love you always. And miss you!

“ *I tried to get past the tears to write something to the family to signify all that Nettie meant to me. She was someone very special just as our lifelong friendship. Memories flow through me are filled with love, laughter, trust, comfort and encouragement. I know of no greater gift than the wonderful friendship we shared. We are all blessed.*
