“ *Jessica, I'm a friend of your moms. She has shared many many pictures and she has told me some stories of you growing up. Your mom and I hung out often before I moved away and moved away from Maine. You sounded like you were an amazing lady. I hope you wrap your wings around your family and friends during this difficult time, show them you are there.
Rest in peace beautiful*

“ Jessica, I will miss you terribly! I have so many good memories of you. What I want people to know, is that you had such a wonderful, special beauty about you. She really wanted to make a difference in people's lives. Jessica was a strong individual and she had strong in convictions, expecially against abortion. I'll love you forever!
