Jimmie was born and raised in Bartlesville, OK. He graduated from Bartlesville High School in 1956. He attended college at NEO in Miami, OK. He moved to Houston, TX in 1959, where he worked for Hughes Tool, Ada Oil, and Phillips Petroleum. He worked at Phillips for 11 years, at the Dallas and Houston locations. He then worked for 27 years and retired from the Amoco Chocolate Bayou Plant near Alvin, TX.

Jimmie loved to race cars. He raced all of the family cars, even the station wagon. He had many trophies to show for it. He even owned and raced a dragster for awhile. He was passionate about motorcycles as well.

He married the love of his life, Shirley Hoffman in 1972. They lived in Alvin until Jimmie retired and they moved to Livingston, TX. They loved to square dance. They also loved to go camping. He and Shirley pulled their camper to every state west of the Mississippi and half of the states east of the Mississippi. He moved back to Bartlesville, OK in June 2020 to be closer to his family.

Jimmie loved his family very much. He always attended all the important life

events that he could, even when he had to travel long distances to do so. He never missed sending birthday cards to everyone, even spouses. Most important though, is his love for Jesus. He loved Jesus with all his heart.

“ Jimmie was my neighbor in Davis Woods for about 3 years. He was so sweet to help me with some small problems maintaining that big house. He also, helped me a couple of times with my frail mother who lived with me at the time. He was a good friend, a gentleman & adored Shirley.

My father, Burdette (Pete) Payne was a great friend of Jimmy from when they were young in Bartlesville. Dad told me stories of Jimmy having the first TV when they were young and many other good times. We both send our regards and sympathy.
