“ I am truly sorry for your loss. There is not grieving message that can express how much he meant to me. My heart is aching.

The death of someone close to us leave us shocked with grief. We cannot understand how one minute this person was here and the next they are gone. The truth is that those we love are never truly gone. The body may have run its course, but the soul lives forever.

“ Glenda, Andrea, Amanda & Drew - I am sorry for your loss. I always enjoyed visiting with Jimmie when we would stay at my grandparents when we were younger. He always had some fun gadget that he was working on that he would teach us about. I know my grandpa considered him a dear friend. You all are in our prayers.

“ Aunt Glenda and family. We are so sorry for your loss. Uncle Jimmie always made me look forward to my birthday because I knew that I would get to talk to him. He was better at remembering my birthday than I am! We will all miss him greatly. Even though I didn't get to see him as often as I would have liked, he always created a good memory for me when I did see him. Love and prayers.
