Mount and Caldwell Family - August 09, 2016 at 01:11 PM

“ *Jill and families - I always remember how friendly and kind Jo Ann was - and how she saved my life after our junior year prom (that ended badly for me). She took me home! I was so grateful at the time and I'm sure at that young age, I didn't express it too well - but it's a kindness I remember today. What a wonderful Lady! You honored her well today at the service.*

“ We send our sympathy & are praying for Dale, Jill & Alan, John & Tiffany & families. We have been blessed by knowing Jo Ann for a long time sharing emails & texts, class reunions & being Wayne's little Sister. She was a special friend & part of the BS group & if she didn't know answers to our questions, she would research the subject. Jo Ann loved her family & shared with them her many talents, baking, crafts, music & being the best Wife, Mother, & Grandmother. She made us a microwave baking potato sack using some of her Mother's fabric. I will keep using it with fond memories of our friendship. Jo Ann was a Christian lady who shared in many ways her love for God & her church. She is now resting in the arms of Jesus without pain. We will miss you terribly Okie Jo Sis. Hugs, Roger & Clarene

“ I am so glad that you can share that Jo Ann is with Jesus. I am her first cousin and had not seen her since we were in first grade in Paola until just a few years ago when some of us Cohoon's got together in Kansas City. It was a great time of sharing the fifty or so years that kept us separated. Divorce, on my father's side, can be so hurtful to those not responsible. It will be nice to see her again in full health and glory in heaven. Wilson Cohoon

“ *What a wonderful friend we found in Jo Ann when we moved across the street in Dewey. We always enjoyed her laugh and her friendship. We are so glad we made that last trip to Dewey. Our love and sympathy to all of you. Remember all the good times and be sure she is waiting for all of you in heaven. Our love to all of you.*

“ *I worked with Jo Ann at Phillips and we had a lot of laughs together. Jo Ann was also kind enough to drive all the way from Bartlesville to Okmulgee to play the piano for my wedding! When I was pregnant with my first child she was always there for me to give me advice and calm my fears! My prayers are with her family!*

“Where to start. Being from Paola you know everyone. I was in her brother Wayne's class and we had such fun from the 2nd grade until we graduated. Even after that, all the class reunions that I could attend. Jo was the same age as my sister Mary, so we had a lot in common as the years went by. Years ago a group of us from Paola started an email group which was named the BSers. She joined shortly afterwards. We all laughed together, cried together and told stories that were unbelievable. There were times that I just had to call Jo to hear her voice. My husband and I visited with her and Dale and had the best time. She knew I loved cherry pie and there it was. What a girl and as I remember, it is still the best I ever had. I will miss her and her emails as she always signed it OkieJo Hugs.

Dale and family, have comfort for God promises that there will be a resurrection for all. Also Rev 21:4 states that God will wipe out every tear from their eyes and death will be no more.....

“ *Friends from Paola called Jo Ann Okie Jo. I called her secret quilting sister. We made a quilt together that took almost nine months. You might think so what's the big deal. The big deal was we lived 200 miles apart. We used email and US Postal Service to mail completed sections back and forth. We had a ball. Will miss this sweet lady. Kay Sims*
