“ *Joan and my mother were good friends working together at Reda and Dewey schools. We spent a lot of time at Joan's house visiting. I remember once when I was 5 or so I was at Joan's. my parents were out either at work or something Joan fixed dinner and I was not sure about eating it. Joan told me it was hamburger and I ate it. I found out several years later in fact it was liver and onions. She tricked me into eating it.*

There were countless nights I remember all the adults gathered around Joan's table playing cards. While me and Tequila the chihuahua played and watched TV. The laughter was so loud in the house good memories. She was an awesome lady and will be missed. Say hello to mom for me Joan as I know she was there to meet you with a big smile and hug. Love and prayers to the family.
