Hulluma; son Lance Kevin Virden and nephew Matthew Mack.

“ So sorry for your Loss Roger. I remember riding the school bus with you and Joan you always sit to gather . It must have been true love at first sight. I remember one time you passed out on the bus while setting by Joan because of pain and she took good care of you . I think they said you had appendicitis.

“ Roger, We are sorry to hear of the loss of your wife. None of the rest of my family knew Joan, but they all know what "Joan's Delight" is. It was a favorite of my family. My wife is making sure my son reruns her recipe in the paper again in her honor. Your mother had a great dessert too, an apple filled baked bread/pastry. Hope you and the rest of your family is doing well. Linus Gammon Williams
