“ *Jody is a treasured and loved member of the Benefiel family. She will be remembered as kind, thoughtful, wit a wonderful sense of humor bringing laughter to all. She was a devoted caregiver for her Mother Carlene Shepley and Grandmother Irene Benefiel. She and Joel shared an unending, enviable love! When Jody passed into Heaven joining her loved ones, Joel shared “I lost the love of my life” a sentiment envied by so many. Prayers and love Joel!!!*
