“ Kim & family I am truly sorry for your loss. What I remember the most of Joli was her smile. Playing board games with her crazy Oriano's family. We would play a game called Werewolf in which you pretend to be someone in a village as you are trying to find the werewolves within. She would always get into her role and made the game fun for all. Family gatherings will never be the same without her but I know that she will be with us and be smiling at our crazy antics. We will forever miss and love her. Rene' Oriano.

“ *I first want to say that her daily and friends are in my thoughts and prayers. I worked with joli at kids first daycare and I always looked forward to seeing her, she was so funny and caring, and could brighten anyone's day. We had a lot of laughs and a few cries as well but she was someone you could count on to make you smile. I'll miss her dearly!!!!*
