This is Nicole, Junes granddaughter. Her father and grandfather were long-standing morticians in Skaitook. My grandmother was raised in the funeral home there and I grew up hearing all of the family history. She faced a long battle with Alzheimer's at the end of her life and I wish we had more time together in my adulthood. Today, I am proud to say that I am a licensed funeral director, embalmer and funeral home manager and can carry on those timeless traditions. I'm very happy I found this <3
