Kathy often reflected on the LPN education she received at Tri County Tech and believed that program laid a strong foundation for her stellar nursing career. In lieu of flowers or gifts, we've created a unique payment link for donations in her honor to the LPN program at TCT. Through this tribute, her legacy will inspire and support students pursuing bright and impactful nursing careers. “*To all Katheryn's family: I am so sad to learn of Katheryn's death. We have been friends since we were 5 years old--growing up in Timber Hill. She was a hard worker and loved her family immensely. Her children and grandchildren are her greatest joy. She hasn't felt like coming to our get-togethers for quite some time and I have missed her. I could fill a book with memories of her. Please know that I loved her and was proud of her accomplishments. My prayers for comfort for all of you.*

I was so sad to hear of Kathy's passing. We worked closely for several years. She was a wonderful caring nurse. She was a very fair and effective manager, never asking more from her staff than she would do. Above everything her main focus was patient care and supporting her staff. My thought and prayers for her family.
