“ *Many days in school I might be feeling low about something and Erick would always joke around to get me to laugh, just like for all of us at LHS. I saw him fishing on California Creek not too long ago and it was so good to see him and give a hug.*

“ my deepest sympathy to the family. he was a good friend to my son, mike lamb. I remember being at a soft ball game a few years after high school and this big guy came up behind me and hugged me off the ground. I turned around and it was Erick. such a nice polite guy and pleasure to be around. I know mike is heart broken at the loss. may God give you strength at this time. Gayle Blackburn Bell.

Dear Green Family,

So sorry to hear of Erick's passing. Oh my we have known him all his life he helped us in the fields many years and ate a many meals with us & on the tailgate of trucks when I carted them to the field. He never complained even though when hay season came around he would sneeze & sneeze but he kept right in there. I know he will be missed by all of you. Our sincere sympathy to all of you.
