“ *My children and I only knew "Mr. Les", as they would call him, for a short time. But the memories he left us with will last forever. He opened up his heart and his home and gave us a family vacation that we will never forget. He will be missed! Our prayers are with Melanie and the family.*

“ *I feel honored to have had Les as a customer, co-worker, employer, and friend. He was always the same--no airs about him. Les was the most honest and generous person that I have ever known. A book should be written about Les Bird. He will be truly missed. We will even miss his pranks. My prayers are with Melanie and the family.*

“ Les Was a customer of mine at Master Copy Printing. He was so kind and caring. My sister and I opened up another print shop called R & T Printing. We times got hard he would order forms or letterheads just so we would make some money. He even brought us Ribs for us and our employees. He will greatly be missed in our hearts.
